What's the job?

We are seeking a new, highly talented designer to join our creative team. You will work on a broad range of high-profile web design projects and advertising campaigns. Days will be varied, challenging, fun and rewarding.

Skillswise, you must:

- Have 4-5 years under your belt working for a top 100 agency.
- Be a strong conceptual thinker.
- Be able to carry projects through from ideas to delivery.
- Have excellent design, illustration and typographical skills.
- Have excellent Photoshop, Illustrator and Flash skills. (After Effects and 3D skills would be an advantage).

Culturally, you should:

- Be highly motivated, energetic and enthusiastic.
- Work well within a collaborative environment.
- Have a good sense of humour.

To apply

If you think this sounds like the ticket, please send your CV (including links to your work) to charlie.martin@airlock.com

What we're paying?

Circa £33k (depending on experience).
